To

Secretary to the Government of H H the Maharaja of Mysore, General and Revenue Departments, Bangalore

Sir,

I have the honor to invite the attention of the Government of H H the Maharaja of Mysore to a procedure existing in Madras which might well be applied to Mysore It is that reports on Municipalities from the Sanitary Commissioner (or his Assistant) are sent to Government through the Chairmen of the Municipalities who within 6 weeks of the receipt of the report must call meeting of council to consider the report The report is then sent to Government with such remarks regarding it as have been made by the council, Government then passes orders inviting attention to such matters as it thinks have been inadequately dealt with by the council

2. If His Highness' Government approves of this procedure which I consider a very useful one, I request that early orders
